

## Saint-Malo vase 02

Materials	<p>Shiny enamelled ceramic. Each ceramic piece is unique. Handcrafted, they can sometimes have very slight irregularities.</p> <p>Mouth-blown gray tinted glass centerpiece.</p> <p>Bright silver-plated steel trim ring.</p>
Year of creation	2019
Type	Conical vase. Ceramic is not frost-resistant and not suitable for an outdoor environment.
Colors and patterns	White, silver and black striped.
Dimensions	<p>D.24 cm x H.32 cm</p> <p>9" D. 13" H.</p>
Assembly	<p>The ceramic beads overlap and interlock to achieve a perfect match.</p> <p>They are held and stabilized by the glass piece that runs through the entire height of the vase.</p>
Maintenance	<p>Gently wipe clean with a damp towel and dry each item with a soft cloth.</p> <p>Do not use abrasive agents which may damage the surface and alter the shine.</p> <p>The glass piece can be cleaned with a spray bottle containing window cleaner.</p>
